FOR IMMEDIATE RELEASE – June 27, 2011

**Creative Pultrusions, Inc. Releases
New Decking, Flooring, Grating and Panel Products Brochure**

Creative Pultrusions, Inc. has created a technical brochure that includes all of the decking, flooring, grating and panel products that we offer. The brochure includes general product information, technical design data and allowable uniform load tables for all sections listed. Engineers will now have all of the necessary technical information at their fingertips, to design and specify any of the following products:

- Superplank™ and Flowgrip
- Superdecking
- Tuf-dek™
- Heavy Duty Plank
- Supergrate™ Pultruded and Molded Grating
- Superpanel
- Superdeck™

The brochure is available in print and PDF format. The electronic options can be downloaded from our literature library or e-mailed directly to you. **Creative encourages you to think about the environment and to utilize the electronic format and CD options, so we can all do our part to keep our planet green.**

Visit <http://www.creativepultrusions.com/library.html> to view the new brochure or contact us at 1-888-CPI-PULL (274-7855) or sholler@pultrude.com.

CPI is a world-class pultruder that utilizes the most advanced manufacturing processes to provide high-end profiles. Originally founded in 1973, CPI was acquired by Hill & Smith Holdings PLC (HS) in September 2008. A global leader in the design, manufacture and supply of infrastructure products, galvanizing services and building and construction products, HS has sales of over \$700 million. Headquartered in the UK and quoted on the London Stock Exchange, HS employs some 3,300 staff across 54 sites, principally in the UK, France, USA, Thailand and China.
